

## What Is CFO ?

Coastal Maine (formerly Acadia) CFO is a non-denominational Christian camp which welcomes any adult seeking to deepen their love of Jesus Christ. A member of the larger "Camps Farthest Out" organization, we offer a Christ-centered, Holy Spirit-led program through which people can encounter God in meaningful ways through prayer. The time away is filled with singing, inspirational talks, a time of creativity, rest and fellowship with small group gatherings of prayer. It is a program built upon prayer and led with prayer. We know God truly answers, so we bring our concerns to Him. If you are joining us for the first time, you will be a stranger for a brief moment, and a friend for eternity.

### Ruth Johnson

Ruth Johnson is a mother and the wife of Pastor Don Johnson. She works beside her husband in ministry, counseling, speaking and teaching. God has blessed and met them on every occasion. Ruth shares the workings of the Holy Spirit in her life and the difference Jesus makes on a daily basis. Her life is full of many miracles of God's love, healing, and provision. She shares from her heart in hope that the Lord will touch and minister to those who hear, bringing encouragement, healing, and freedom. She knows her need to walk daily in the love and grace of Jesus Christ.

### SPEAKERS 2024

### Carol Powers

I first started going to Camp in 1976. My three children and I have been immersed in the Camp experience since then and the extended family we have all found there has anchored us and helped us flourish. I will be speaking about how God's compassion and loving kindness infuse our lives with deep peace, loving companions, and abounding blessings. It is a privilege to share some of what I have learned along the Way, and I look forward to spending time with you.
